Jinx McDonald Interior Designs, Inc. (JMID) announced the completion of the interior design on a 3,200 square foot private residence built by Divosta Homes, in the new neighborhood of Winding Cypress in Naples.

“The clients came to us from New Jersey after they bought their second house to help turn it into a fun, Florida vacation home,” said Minka McDonald, President of Jinx McDonald Interior Designs.

Design Associate, Janine Blume, created a coastal chic furniture and color scheme with flashes of Florida Whimsy. She painted the walls a soft sea salt blue which combined with the white shaker kitchen cabinets, crisp white quartz countertops and grey tile backsplash to create a bright and airy feeling.

A round driftwood gray dining table and serving buffet lends a casual coastal feeling to the dining area that is just off the kitchen, sitting on the taupe-colored wood-look porcelain tile that runs throughout the home. Seafoam green upholstered dining chairs are dressed up by the glitzy blown glass flowering pendant by Viz Glass and blown glass and coral wall décor.

“I love how this home feels casual yet sophisticated at the same time,” said Blume.

The master bedroom is an elegant retreat with custom bedding in sea mist and silver sage tones. Nightstands with a rich ebony frame and capiz shell drawer fronts flank a luxuriously upholstered ivory wing bed. Elongated mirrors above the night-
