

### **Jinx McDonald Interior Designs Participates in 2021 Naples Zoo Gala**

Jinx McDonald Interior Designs (JMID) partnered with Signature Florals to create an elaborate table design for the 2021 Naples Zoo Gala. With design inspiration and direction from JMID designer, Barbara Schwenk, and floral arrangement fulfilled by the Signature Florals team, both parties shaped a beautiful tablescape following the gala's theme, "Out of Africa". The annual fundraising event supports the local Naples Zoo's work with endangered species and their efforts to inspire young hearts to love animals and nature.
